

STRKFarm

Terms and Conditions

Effective Date: 1st Jun 2024

Welcome to STRKFarm.xyz. Please read these Terms and Conditions ("Terms", "T&C") carefully before using the STRKFarm.xyz website (the "Service"). STRKFarm is an experimental project (referred to as "we", "us", or "our") operated by independent contributors. By accessing or using the Service, you agree to be bound by these Terms.

1. Acceptance of Terms

By accessing or using STRKFarm.xyz, you agree to comply with and be bound by these Terms. If you do not agree with any part of the Terms, you may not access the Service.

2. Eligibility

- **Age Requirement:** You must be at least 18 years old to use STRKFarm.xyz. By using the Service, you represent and warrant that you meet this age requirement.
- **Restricted Jurisdictions:** You are responsible for ensuring that your use of STRKFarm complies with all applicable laws, regulations, and rules in your jurisdiction. You agree not to use a VPN, proxy, or any other means to bypass geographic or legal restrictions that apply to the Service in certain jurisdictions.

3. User Responsibilities

- **Account Security:** You are responsible for maintaining the confidentiality of your account credentials and any activities under your account. STRKFarm is not liable for any unauthorised access to or use of your account.
- **Prohibited Conduct:** You agree not to engage in any activity that interferes with or disrupts the Service or servers, including, but not limited to, hacking, distributing malware, or abusing Service functionality.
- You are solely responsible for any decisions made to use our products, including any associated risks and outcomes.

4. Risks

Decentralized finance (DeFi) and yield aggregation involve significant risks, including but not limited to the potential loss of assets, smart contract vulnerabilities, and regulatory changes. STRKFarm is a project and not a registered entity. Therefore, any services provided are experimental and may contain risks that are not fully anticipated. Neither STRKFarm nor its team members, developers, or affiliates are liable for any financial losses, damages, or other

consequences resulting from the use of the Service. By accessing STRKFarm.xyz, you acknowledge, accept, and assume all risks associated with its use.

5. Data Collection and Privacy

- **Anonymous Data Collection:** We collect anonymous usage data through Mixpanel, including but not limited to wallet addresses, location data (city, country), and other metrics to improve our Service. By using the Service, you consent to this data collection.
- **Use of Mixpanel:** Mixpanel may collect and store data as described in their privacy policy. We use this data solely to enhance your experience with STRKFarm.xyz and to monitor and improve our Service.

6. Non-Financial Advice

All information provided by the Services is for informational purposes only and should not be construed as professional advice. You should not take, or refrain from taking, any action based on any information contained in the Services. Before you make any financial, legal, or other decisions involving the Services, you should seek independent professional advice from an individual who is licensed and qualified in the area for which such advice would be appropriate.

While STRKFarm provides custom strategies and trading tools, the information and outcomes related to these strategies should not be construed as financial advice.

7. Limitation of Liability

STRKFarm is an experimental project and not a registered entity. As such, the Service is provided on an “as-is” and “as-available” basis without warranties of any kind, either express or implied. To the fullest extent permitted by applicable law, STRKFarm, its team members, developers, contractors, or any affiliated individuals shall not be held liable for any damages, including, but not limited to, direct, indirect, incidental, consequential, or punitive damages, arising from or related to your use of or inability to use the Service, even if STRKFarm has been advised of the possibility of such damages. This limitation of liability applies to any claim, including but not limited to loss of funds, data, or assets, arising from the use of STRKFarm.xyz or any third-party services linked to or integrated with STRKFarm.

STRKFarm Project shall not be liable for any inaccuracies, errors, or omissions in the information provided through the DApp. By using the Service, you agree that:

- You are solely responsible for your decisions and actions taken based on the information provided.
- STRKFarm Project does not endorse any third-party DApps or services linked within the platform.

8. Third-Party Links

The DApp may contain links to third-party websites or services. These links are provided for your convenience and do not signify endorsement by STRKFarm Project. We are not responsible for the content or practices of these third-party sites.

9. Modifications to the Terms

We reserve the right to modify or replace these Terms at any time without prior notice. It is your responsibility to review the Terms periodically. Continued use of the Service after any such changes constitutes your acceptance of the new Terms.

10. Termination of Services

We reserve the right to suspend or terminate your access to STRKFarm.xyz at our discretion, without notice or liability, for any reason, including if you breach the Terms or if required by law.

11. Governing Law

While we hope to avoid any disputes, should any issues arise regarding these Terms and Conditions, parties are encouraged to resolve them amicably through direct communication. If an amicable resolution cannot be reached, any disputes shall be resolved exclusively in the courts of Hyderabad, India.

These Terms shall be governed by and construed in accordance with the laws of Hyderabad, India, without regard to its conflict of law provisions. By using the Service, you agree that any dispute arising from or relating to these Terms or your use of STRKFarm.xyz will be subject to the exclusive jurisdiction of the courts of Hyderabad, India. However, we recognize that as a decentralized project, legal claims may vary by region, and as such, you are responsible for compliance with the laws applicable in your jurisdiction.
